How to purchase a Plan 3 annuity

Step 1

Make sure there is enough money in the appropriate investment account (WSIB or Self-Directed Investment Program) to cover the purchase price.

The minimum purchase price for each investment program is \$25,000 for a WSIB annuity and \$5,000 for the Self-Directed program annuity. You can move funds from one investment program to the other if necessary. It may take up to 70 days to complete the transfer, but you may do this at any time before purchasing your annuity. You do not need to wait until your employment has ended before you transfer funds between investment programs.

Step 2

To purchase a TAP Annuity online, access your Plan 3 investment account through www.drs.wa.gov/login and select Request Online Withdrawal.

Visit www.drs.wa.gov/annuity to find out more about the TAP Annuity and to see additional DRS annuity options.

For additional questions about the TAP Annuity, contact the DRS record keeper at 888-327-5596.
